

Superintendent's Update - May 5, 2020

Dear Parents,

Due to today's announcement by Governor Lamont, Connecticut schools will remain closed through the remainder of the academic year. As noted in our districtwide conference calls on Friday, we will be developing procedures for students to access personal items that may have been left in desks, lockers, and classrooms. The administration will be sending out further notification regarding this in the upcoming weeks.

Sincerely,
Timothy M. Van Tasel, Superintendent
