

# Suffield Public Schools: Finding Success in a Hybrid World

## Respect:

1. Do not record live lessons. Refer to the Suffield District Acceptable Use Policy as a reminder of these expectations.
2. Use the chat feature appropriately when necessary or when given permission by the teacher.

## Student Responsibility:

1. Attend mandatory Google Meets. Make sure you arrive on time and place your mic on mute.
2. Turn all work in on time. If you need assistance, reach out to your teacher. This will help you receive timely feedback for your learning.

## Community:

1. Turn your camera on for attendance and direct instruction.
2. Be ready to participate when called on.
3. Be confident and take risks. As a community, we value your thoughts and contributions to classroom discussions.
