September 16, 2020

Good Morning SHS Community!

Within this email you will find a link that reflects the new schedule starting Monday September 21. You will most often hear it referred to as a 3 x 2 hybrid model. Essentially, every Wednesday cohort "A" and cohort "B" will alternate for an in-person, seven period day. I will include the schedule in my Weekly Update, and have included it in the appendix of the [Operations Manual](#).

I have received some correspondence from students and parents regarding a potential change to remote or hybrid learning. A change to the method of instruction is permitted at any time. Please reach out to me directly via email with any potential changes. We report to our attendance and number of remote learners to the state regularly, and need to provide accurate data.

The new [3 x 2 hybrid schedule](#) is two pages, so please be sure to go through it completely to know when your student is expected in school. In October there are two four-day weeks. On October 9, we have a teacher professional development, and October 12 is the observance of Columbus Day. We will send out a revised schedule for those weeks soon.

Thank you for your patience and cooperation.

In Partnership,

Jim Blain
