

Room Parent-Year Round

The Elementary PTO does not know what events will be possible during this school year, but we do know we will still need room parents! Room parents act as a main point of contact between teachers and other parents in the class. You will compile an email list in order to communicate effectively regarding important events, volunteer and donation needs and PTO messages when needed. There are typically two room parents for every class.

If you filled out a Help Wanted Form earlier in the summer requesting to be a room parent and already emailed it to Amy Healy, you do NOT have to fill this form out.

If you haven't yet and are interested, please fill out this form below and email it to Amy Healy at amy@logn.net.
