

Curriculum and Instruction Subcommittee Meeting Minutes
6/10/19

Attendees: Susan Mercik Davis, Michelle Zawawi, Maureen Sattan, Jamie Drzyzga, Cynthia Pfaff, Lorie Hunt and Kelly Blais

Call to order: 5:08

1. SMS Grade 6/7 Social Studies textbook pilot review presented by Lorie Hunt and Cynthia Pfaff. They provided a brief summary of the pilot and why it is being recommended for purchase. The textbook will be available to students through their chrome book and hardback when needed. The purchase will provide interactive digital features, leveling of text and differentiation tools for all levels. This text will replace the 2001 textbook purchase.
2. Kelly Blais presented the SHS AP Human Geography textbook review. Based on research compiled from multiple sources, including other schools in our DRG. The recommended text, *The Cultural Landscape: An Introduction to Human Geography* will be an integral part of the new AP course next year. Again, digital text is recommended so that both students and teachers will have access to the Mastering Platform.
