You may also copy this link and paste it into the web address window for your browser:

<http://www.myschoolbuilding.com/myschoolbuilding/mygateway.asp?acctnum=344278279>

This will take you to the MySchoolBuilding sign in page for your organization.

- If you would like, you may either add this page to your favorites or create a shortcut on your desktop. To create a shortcut, find a blank area on the page, click your right mouse button and select **Create Shortcut**. This will add an *icon* on your desktop that you can double click the next time you want to sign in.

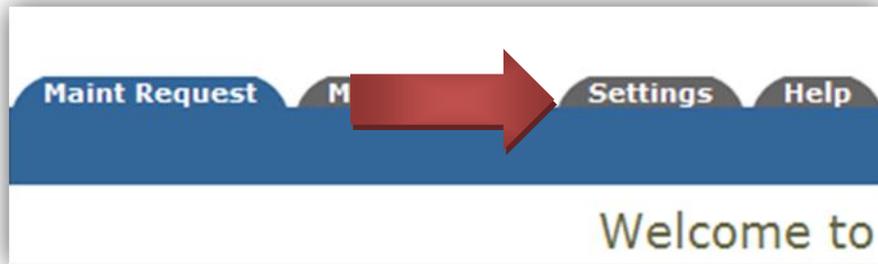

Welcome! To begin, please enter your email address below.

Enter your email and click **Submit**. If you are not already registered as a user, the system will notify you that it cannot find your email address. You will be prompted to either correct your email address or enter your last name if you are a new requester. On the next screen, enter your first name which is required and contact numbers if desired.

Once you have entered your information, you will come to the work request form. If you do not need to submit a request and simply want to add yourself as a Requester, click on the Settings tab.

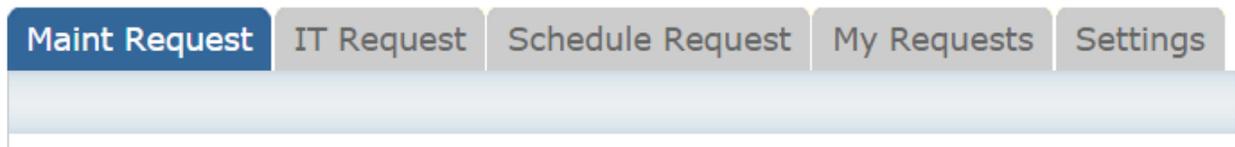

At the bottom of the screen, enter the submittal password of **suffield** and click on Submit. You are now entered as a Requester in SchoolDude.

To enter a work request:

You will notice that there are tabs for both Maintenance Direct and IT Direct. The page defaults to the Maintenance tab, make sure you click the correct tab for your need.

Note that all required fields have a red box and check mark next to them.

Click on the Work Request Tab and follow the steps to submit your work order.

Step 1: This will be filled in with your information from the email address you entered at the sign in screen.

Step 2: Click on the drop down arrow and highlight a **Location** that you want the work to be done at and click the mouse. Follow the same steps for **Building** and **Area** **if selections are available*. Also be sure to enter your Area description or Room #.

Step 2 Location

Yes, remember my area entries for my next new request entry.

Note When entering more than one request at a time without logging out, your location will be set to a default. A red link to the right of the location will appear that says [Change Location](#) should you need to enter a request for a different location. There is also a box under step 2 that says [Yes, remember my area entries for my next new request entry](#). If this box is checked, the Area and Area/Room Number entries for the next request will be saved. Once you log out and log back into MySchoolBuilding, everything will be reset and Locations, Area, and Area/Room Number will need to be selected again.

Step 3: Select the icon that best describes your problem and click on it.

After you click submit, the screen will refresh and go to the **My Request** Tab.

A screenshot of a web application interface. At the top are navigation tabs: "Work Request", "Schedule Request", "My Requests", "My Settings", and "Help". Below the tabs, there are links for "My Work Requests" and "My Schedule Requests". The main heading is "My Work Requests". To the right, it says "Request Totals 14 Complete". A note explains that once a request is assigned, the user can no longer edit it. There is a search bar with "Search for "" and "Search this results for:" followed by a "GO Show All" button and a printer icon. Below the search bar, it says "1 - 10 of total 71 listed". A table shows a list of requests with columns for Status, Location, Action Taken, and Complete Date. The first row shows a "Complete" request for "Maintenance Facility" with a "No Action Note" and a "Complete Date" of "11/19/2004".

Status	Location	Action Taken	Complete Date
Complete	Maintenance Facility	No Action Note	11/19/2004
General Maintenance	3171 Please move box and roll of blueprints to war room. Get key from Frank or Jill. It may take 2 people to carry these.	11/18/2004	

On this screen you will see up to date information on your request including the status, work order number and action taken notes. You can click on the gray box with a black dot in it next to any of the information listed in the blue bar to sort all requests in ascending or descending order by that information.

You can also search for any work order request by typing in a key word in the **Search** box and clicking on **GO**. This will pull up any of your requests with that word in it. For example, typing keys would pull up any request dealing with keys.

Click on the **Work Request** Tab to input a new request.
