

Hold Harmless Crossing Agreement

I, _____, the undersigned parent and/or legal guardian of _____ (Student's Name) grade _____, agree to hold harmless, and waive any right of recovery I may otherwise have against Suffield Public Schools (District), the Town of Suffield (Town) or M&J Bus, Inc. (Bus Contractor) in any claim or suit, as a result of any damages, losses, or legal costs arising out of injuries (or death), or damages and losses to personal or real property sustained as a direct and specific result of the service (described in the next paragraph) to provide transportation.

In executing this agreement, I hereby request and authorize the District, through its Bus Contractor, to provide transportation on a daily basis allowing the student identified in the previous paragraph to exit the school bus at a location or time other than that scheduled by the District or Bus Contractor. Specifically, as part of this agreement, the identified student shall be allowed to cross _____ (name and number of street). This arrangement will be in effect upon execution of this agreement and its receipt by the District, through the duration of the 20__/20__ school year schedule or upon this agreement being withdrawn by either party, if earlier. Such withdrawal shall only be effective if in writing and upon receipt by the Suffield Superintendent of Schools or designee. The withdrawal shall either be hand delivered or mailed by certified mail, return receipt requested.

I further understand that by signing this agreement I take full legal responsibility for the decision to have the identified student exit the bus at a location and/or at a time not originally scheduled. Suffield Public Schools shall retain the right to withdraw in part, or in total, the availability of this arrangement at any time during the proposed period of service due to: a lack of space on the vehicle; change, curtailment or termination of present service; disruptive or otherwise inappropriate behavior by the identified Suffield student occurring in connection with this service; or for any other reason.
