

# K-5 Math Chat ~

## Student Sense Making:

### *From Counting to Addition Strategies*

Spaulding and McAlister parents are welcome to attend our 2nd Math Chat series designed to help support understanding of how children begin counting and progress to addition and subtraction strategies.

*Although these strategies are applicable K-5 and all parents are encouraged to come, this session is designed for mathematics in Grades 1-4.*

Parent participants will be walked through the progression of learning and practice different computational strategies along the way.

We will offer two sessions, both the same presentation, at A. Ward Spaulding School on Wednesday, April 18, 2018:

Session 1 ~ 9 a.m. - 10:30 a.m.

Session 2 ~ 6 p.m. - 7:30 p.m.

Please [RSVP your session and time](#)
